

Here is a detailed outline of the schedule for SWATposium 2016.

Sign-up for workshops on Nov. 5 at [SWATposium 2016 Sign-ups](#)

Use the [day-schedule-frc-final-2](#) to help you choose FRC (high school) workshops (there are 30 to choose from!) or [fll-workshop-descripnt-presenters](#) if you are on an FLL team. Shawn Lim will be the opening speaker and Kim Cooper will be the closing speaker. There will be cake from Black Forest bakery at the end of the day! Wear your team shirt, if you have one, and bring \$5 for the all-you-can-eat pizza lunch. Hope to see you then!
